

BEDOK VIEW SECONDARY SCHOOL TESTIMONIAL

Name : HOH WEI DE

Wei De displays interest in his work and does his best to complete the work assigned to him. Keen to learn, Wei De is determined in his academic pursuits. Whenever in doubt, he would look for his subject teachers to seek their help to improve himself. Given his interest in Mathematics, he took part in the International Competitions and Assessments for Schools in Mathematics organised by the University of New South Wales Global in 2017. He also has an interest in Physics and participated in an Advanced Elective Module: Discovering the Science of Flight conducted by Ngee Ann Polytechnic in 2019.

Wei De is respectful towards his peers and teachers. Being calm and well-mannered, he is well liked by his friends. As a humble person, whenever he makes mistakes, he is receptive to advice given to him and would be quick to take action to remedy the situation.

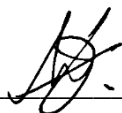

Wei De was a member of the Track and Field from 2017 to 2020 and was actively involved in his Co-Curricular Activity (CCA). In 2017, he represented his CCA in the National Inter-school Cross Country and Track and Field Championships. In 2018, he took part in the National School Games (NSG) Track and Field Championships and also the Singapore Athletics Track and Field Series 2. He also represented his CCA in the NSG Track and Field Championships 2019. In the CCA, Wei De showed eagerness and capacity to train hard and displays a clear sense of purpose in achieving his personal targets.

Apart from his CCA, Wei De also took part in many school activities such as inter-class games and Cross Country. From 2017 to 2019, Wei De had been representing his class in the school's annual Cross Country. Since Secondary One, he also represented his class in the annual inter-class games, namely basketball, floorball, volleyball, football and netball. He demonstrated the ability to establish good teamwork and motivated his team to put in their best effort in the matches.

Wei De has a keen interest in contributing to society. His active involvement in the Values-In-Action (VIA) programme included his participation in the "Spreading the Joy" programme in 2017 by distributing homemade Chinese New Year cards and mandarin oranges to the residents living in the Bedok neighbourhood. He also completed his VIA project work on Conservation in 2018. In 2019, he did his class VIA during the level camp where he visited the Bishan Home for the Intellectually Disabled to engage and interact with the residents. Despite the communication difficulties, he actively engaged the residents during the session by participating in the games with them and encouraged his classmates to do the same.

**BEDOK VIEW SECONDARY SCHOOL
TESTIMONIAL**

Wei De always demonstrates a positive attitude even in times of difficulties and shows remarkable sensitivity and maturity. His determination and motivation will enable him to go far in his future endeavours.
